RCM REPORT:

Hello everyone. My partner is on vacation but says hey. The RSC minutes have not reached me yet. This may be due to a Secretary change recently. But I took some notes and hopefully I caught all the pertinent stuff. I do want to point out our ASC vice chair was there with other members from our area to see how things work at this level. Thanks Sheryl and Victoria for the company!

ARCNA appeared to be successful along with a Lit Review workshop they had there. Which is now having the 7th thru 12 Traditions review and input now in process. ARCNA will be working on new guidelines for alternative merchandise sales at the convention which will be written up for an IDR by the BOD.

Yesterday was a regional planning day of which discussed different topics about Zonal forums and other WSC topics. I wasn't able to attend but I know a few of our members were there if they want to answer questions, I will defer.

A little about the **Western States Zonal Forum Conference 2015** from our RDs report. There was discussion about the legality of 50/50 raffles in certain state/county jurisdiction. Especially when it came to monetary winnings. There also was a region from the northern US with a problem of a member handling monies with an illegal alias that wasn't

know until authorities became aware of the situation. Nothing stolen, but they came up with some new guidelines to deal with these problems before they arise.

The next WSZF will be held in San Francisco January 29th-31 2016 and the RD-team would like to request our Arizona region get bids for 2017 in Phoenix or Tucson metro communities. Next year the zone might be extended with a full Friday so we can have local fellowship participate in a portion and be fully informed since it will be a Conference year.

The Western States Learning Day 2015 will be held in Las Vegas the first weekend of October. Maybe in the spirit, fellowship, and unity the region or area might like to host this event in 2017 or beyond. The last time WSLD was in Arizona was 2003 and we're overdue to participate. This is basically a service weekend involving most of the west coast Regions/areas with much discussion. Anyone can attend!

There were new elections at regional level for Chair, Treasurer, H&I, Lit Review and another Year for ARCNA site locator. All were filled along with ARCNA positions. We also accepted in support Greg W, outgoing RSC Chair, a chance to run for World Board Member nomination. There will be more BOD elections in July if anyone is interested, see me after the meeting today.

There will be a "Youth Group Committee" presenting itself in July's RSC so we can hear what kind of proposal this is about. Will fill you in when we get more details. And lastly, our RD was sharing concerns about committees not sending out paper flyers and using media as the only way of informing members about functions going on.

Still in Loving Service,
Henry D. and Jody P.

SEAZNAC 1:

Hello Everyone,

As of our last meeting on June 7 and all sub committees were represented. We have met all our obligations with the hotel. Pre-Registration has ended, but you can still register online or at the convention. Registration is important, it is how we are able to pay our way. If you are unable to register, you can still attend the convention. Everyone is welcome. Congratulations Jodi P. & Lisa F., they are the winners for the 2 night stay at the convention.

The hotel still has rooms available, although the convention rate has expired.

Attached is our Treasurers Report.

Thanks,

Ken P.

SEAZNAC 1 TREASURER REPORT

Good Morning. As we roll into the final weeks before the convention, we continue on target financially for SEAZNA Convention 1- "A Life Full of Freedom"- July 5-7, 2015, at the Hilton Tucson East Hotel.

Our Current Balance, as of 6/6/2015 is \$13,188.37. A copy of the Quick-Books Register is attached.

Quick books, the bank statement, and the Treasurers Recap have all been reconciled and agree.

Please have all deposits and check requests to me at the beginning of the meeting, so I can get them taken care of expeditiously. Also, any outstanding receipts and bills that have been paid should be turned in. Any bills that there is a question of whether or not they have been paid, please meet with me to be sure I have not overlooked them somehow. Thanks.

Registration Monies are really starting to flow in, and will show, I am sure, in Laurie's report Please be sure that when you utilize square that it specifies what the charge is for. In the past weeks I have been getting many square deposits that say "Customized Amounts." If that is the case, I have to basically guess what it was for, registration or merchandise.

A strong thanks to the Fundraising, Merchandising, and Registration committees for the fantastic job they continue doing in creating the necessary cash flow to be able to continue to pay bills. At this time, it is projected, from a financial point of view, to have a most successful convention!

Thank you for letting me be of service,
Jay B.
