

THE COST FOR A CONVENTION

Amidst the rising event costs, particularly in Northern Arizona with its unique venue constraints, the NACONA III convention stands resilient! We're navigating these challenges, but our commitment to our community remains unwavering.

In the spirit of recovery and the 12 traditions of Narcotics Anonymous, we're proud to announce that we will cover the 24% tax and service fee for all Banquet and Breakfast meals, ensuring unparalleled value for every member.

ROOM BLOCKS & FOOD MINIMUMS

For clarity: 'Room blocks' refer to a predetermined number of hotel rooms we've reserved for attendees, usually at favorable rates. This arrangement comes with its own set of financial minimums we must meet. Additionally, the venue imposes separate 'food minimums', dictating the amount we need to expend on catering. Both these agreements underline the importance of your early registration. By committing in advance, you not only ensure your place but significantly aid our planning and financial management. Together, we champion the collective spirit of NA and contribute to the convention's triumphant success.
