

RECOVERY

In Action

Serving Southeastern Arizona

We Are All PR.....

In April, Public Relations had the opportunity to hold an "Introduction to NA Meetings" presentation for the women participants of Drug Court. We had about 15 women present from Drug Court and 6 women from the program, including myself. It was a great opportunity for us to reach out to the newcomer during this time. Special thank you to Mariel M, Lindsey S, Emily S, Lissa W and Yoli C. for helping to make the event a success.

Here is what a few of those that were of service:

"Interacting with the women on Drug Court was extremely fulfilling. They were engaged and I would think this improves their chances of actually reaching out to other women in recovery. This was a great introduction." – Mariel M.

"It was a great experience being able to talk to the women in Drug Court. It made me happy to hear how much they wanted this program. I hope they get out of it what I gratefully received, as well." - Yoli C.

"I am so grateful to have been given the opportunity to share some of my experience during the PR introduction to NA presentation given to the women currently in the drug court program. The women who attended were there willingly and it was a good opportunity for them to hear the message coming for women who had been where they had been, and that recovery is possible. They expressed their gratitude and our hope is that now they will feel comfortable attending NA meetings on their own to seek the full benefits of recovery." -Emily S.

We are planning a second round for the females soon, as well as, one for the men and another for the probation officers. If anyone is interested in participating, please reach out to Desiree V. at pr@natucson.org.

Grateful to be of service

May - June 2020

Important Announcements:

Due to concerns related to COVID-19 many service committee meetings are on Zoom or similar conferencing platforms.. Please consult the meeting list found on natucson.org.

NEXT MONTH'S TOPIC:

Staying Clean in Difficult Times

When I was new I was told the following:
"Don't use even if your @ss falls off. If it does,
pick it up; put it in a bag; and take it to a
meeting."
