Hello Family,

The Murder Mystery is coming along. As of this message there are 6 characters still left to sign up for. I reached out to each one who signed and am in the process of getting them more information.

\$8 Bowling Night is coming along. We have M-Th available to us. \$8 for 2 hours. As of right now I am thinking Thursday nights from 6-8 at the Tucson Bowl. I need votes on this.

Activities will be putting on a fundraising event "Lost Dreams Awaken" - either a Comedy Show or a Talent show. .

Talent show would be something like Music, Poetry Readings, Dance/Body Movement, Comedy, where anyone signing up could have 4-8 minutes to showcase. The concern is that if we do a talent show, there will be kids running around making noise and that could disrupt the talent - one solution is to find a spot that has a room kids could play in (but we would need volunteer sitters. With a talent show we should have more people sign up and show up

For the comedy show, we have some aspiring comedians. We would have 2-3 openers then the main comedian (We have a professional comedian as a member)

Activities needs committed members to be able to fulfil the schedule of events we are planning. With no clean time requirements, the only thing needed is a desire to create and have fun and a commitment to follow through. Please spread the word that if we don't have any committed members show up, Activities may fold.

(ALL 2 YEAR CLEAN TIME)

Good afternoon! The public relation committee hosted a pool party yesterday on 6/7 to not only have a good time but spread some awareness about public relations for PR week. We talked about different roles and responsibilities of PR members and the importance of participation not just for the fellowship but for the community that needs our fellowship. There were about 40- 50 members in attendance. We spent \$105 on food and \$200 for lifeguards about \$75 on miscellaneous items like cups and plates and ice and buns.

Our bus posters are up in 22 buses and they will let the ad run for longer than four weeks until the space is rented, by next area our phonline report will include any calls from the ads.

Our current phonline report for May is as follows :

Volunteer Lookups (CALLS) 10

Meeting Lookups (CALLS) 0

Missed (CALLS) 5

Volunteer Lookups (SMS) 0

Meeting Lookups (SMS) 0

Peter will do the directory route some time next week. We are looking for members to step up and help with this moving forward as well as literature ordering and storing as he will be moving in August.

Public relations committee meets again on 6/12 at 7pm on zoom

Thank you for letting me be of service!

Good day NA!

SEAZNAC 8, Never Alone, Never Again will be Aug. 29, 30, 31, 2025

@Loews Ventana, Sabino Canyon area! Again, FYI, the info about “resort fees” is not going to happen on your final bill if you see it. So far we have over 290 room (nite) reservations, we need another 30 room nites if we are to make our goal and the Hotel meeting rooms will be paid for! This is how hotels work at conventions, room block made, and meeting rooms come free.

We have made some wonderful progress with the regional committee members. ARCNA Chair and some Regional Board members are going to work with us in full support of some new tech they are using. We now have a good working relationship, and we are looking to have some combined functions in Phoenix to help gather support for our convention.

We will be having auctions and dinners for fundraising so stay tuned for SEAZNAC events on the website. We also have combined functions with Activities and Mt Lemmon Bash committees so keep supporting your local Fundraising efforts! There are a number of events coming up on our Area website, next is our Murder Mystery event! June 21, @ Northside Mtg place (2425 W Ina Rd). Make your RSVP online or with Brent, our events chair.

Next month we will be selecting our main speakers so you either attend that meeting or wait for the Convention since we will not share that at this meeting. We have confirmed a Hospitality room after much discussion with the hotel. Randall our chair for this will be talking about the sign-up genie. No hot foods, only packaged goods are allowed.

Our next meeting is June 14, 2025, noon, @Primary Purpose. Check out our website for updates. If you would like to join our committee, you are welcome. We are still looking for an Arts & Graphics person and Vice Treasurer.

Yours in Fellowship,

Henry D,  
SEAZNAC Chair
